

# Dialogue

Find a theme which has a potential for disagreements e.g. patterns of sex roles, child-rearing.

## Dialogue tasks:

- Find a theme which has a potential for disagreements e.g. patterns of sex roles, child-rearing.
- Find the four most important arguments/principles in this theme. E.g. the four most important principles in child rearing.
- In pairs - agree on the three most important principles and list them in order of priority.

**Discussion:** Where did you disagree? How did you reach an agreement? Did you negotiate and how? When was the dialogue relatively focused, and when was it relatively diffuse?
