

Cultural collage

Aim: reflection on one's cultural background and opportunity to share it with others

Aim: reflection on one's cultural background and opportunity to share it with others

Assignment description: Preparing the collage about yourself by visual means (cultural background, values, cultural rules, family prejudices, family background, interests, passions) to present oneself in a classroom. Student can arrange everything on the piece of poster board large enough to be seen in the classroom

Outcomes: Creation of a sense of community, possibility of self expression in a better way (not only verbal), reflection on one's life and cultural background
